

Savannah Dec 31
Miss Woodruff

Your note received and I would say that if your friend does not come I would be happy to have your company, and if she does come and would wish to attend the dance I would like very much to have her accompany us, you need not answer until you find out whether your friend is coming or not.

Your friend
John W.

P.S.

Please excuse the lead pencil as I have no pen fit to write with.
