Dear Mrs. Ransom;

This is in answer to the nice letter you wrote me way back in June. But I'm sure you'll forgive me for taking such a long time when I tell you that ever since that time we've been working on the score for the show "Best Foot Forward." The show just opened and is quite a hit and the music has gotten grand notices so we are very pleased.

I passed my physical examination for the army this week IA. So I don't know yet what is going to happen. I'm not so far from 28 but maybe that won't make any difference now.

I hope you've had a nice summer and I'm sorry I couldn't visit with you when I was home but I was working on the music for the show then and had to keep at it. But will look forward to seeing you next time I'm there.

Always

Ralph
